

# Super Stable Competition

- Competition Outline/Terms and Conditions

## How To Play

Harness Racing New Zealand is looking for the sport's best judge of horses and the winner is set for a \$10,000 prize haul.

HRNZ is launching Super Stable 2023 and it will be bigger and richer than any similar competition held in New Zealand before.

The competition lets racing fans, or even newcomers to the sport, select which horses they think will shine brightest over the busy spring racing period. It runs from the start date of October 5 until December 10 and entry is free at [www.hrnz.co.nz](http://www.hrnz.co.nz)

Contestants must choose 14 horses for their "stable", 12 of which must be from the lists of horses for each age group provided by HRNZ, with two 'wildcard' selections.

Each horse or wildcard is allocated a value and the combined value of each Super Stable must not exceed \$750,000 - so contestants need to be smart and strategic about which horses they "spend" the most money on.

To make Super Stable even more strategic there will be two trade windows where contestants can add and remove horses, the first after Ashburton Flying Stakes Day (24-25 October) and the other window after NZ Cup week (20-21 November).

The 14 horses each contestant has running for them will secure virtual stake money in line with the money each of their horses win on the track, so a major race win will count for far more than two or three standard race victories.

Only stake money for running in the top 5 in New Zealand races will count.

## The Prizes

The prize pool for the Super Stable competition is huge, headlined by a \$10,000 Whitsundays travel package courtesy of the TAB. The prize includes travel, 5 nights accommodation at Hayman Island Resort and \$1,500 credit for meals and activities.

Other prizes are:

**2nd:** A \$5,000 Luxury Queenstown Escape with 3 nights accommodation at The Rees, premium dinner and activities including Gondola, Luge and Onsen Soak.

**3rd:** A \$2,000 Purepods Getaway

There will also be weekly and monthly winners. The person with most amount of virtual money earned during a week will win a \$50 Bonus Bet, and monthly winners (being the leader at the end of October, and November) will win a \$250 Prezzy Card.

More Prize details are set out below.
