<p><b>SUNSHIELD</b> hung inwards when negotiating the first bend and continued to lay inwards when racing around the bends.</p> <p><b>MADISONZ LUCK</b> raced wide to the outside of <b>THANKS CHARLIE</b> when approaching the 1600 metres.</p> <p><b>SUNSHIELD</b> was improved from the trailing position rounding the final turn onto the back of <b>MADISONZ LUCK</b> before hanging inwards and trotting roughly throughout the run home. Horsewoman L Neal was questioned as to the reason she</p>	

elected to improve outwards from the favourable trailing position with 400metres to run. Mrs Neal advised that she was of the opinion at the time of improving outwards onto the favourites back was the best option to gain her best possible placing. Mrs Neal further added once she realised that horses were improving up the passing lane she felt she may have erred in her judgement to vacate the trailing position. Stewards accepted her explanation and no further action was deemed necessary. Authorisation of fourth placing being awarded to **THANKS CHARLIE** (S Dickson) was withheld after horseman S McCaffrey (**MADISONZ LUCK**) intimated he had been forced wider on the track by **THANKS CHARLIE** approaching the 1600 metres. After hearing from drivers Dickson and McCaffrey and after viewing available films Stewards established that **THANKS CHARLIE** had commenced its outward movement prior to **MADISONZ LUCK** being in line with its sulky wheel and therefore had not breached the push out rule and placings were duly authorised.

**Race 4** | **CAMBRIDGE TAB MOBILE PACE**

**MULLINGAR MAC** had a warning placed on its mobile barrier manners after this gelding broke in the score up and refused to settle resulting in it being out of position at dispatch.

**THOMAS MCBRIDE** got within a length of its rightful starting position before breaking as the start was effected extinguishing its chances in the event. A warning was placed on this colt's mobile barrier manners. Co-trainer L Neal advised it was her intention to have this colt gelded in the coming days.

**ACE OF DELIGHT** and **BETTY BOOP BROGDEN** over raced through the middle stages.

After improving to race in the parked position with 1000 metres to run **GONE N BORT IT** proceeded to give ground from the 700 metres. A warning was placed on this gelding's racing performance.

**BETTY BOOP BROGDEN** proceeded to give ground from the 500 metres with Co-trainer S Reid advising he believed that the horses tendency to over race in the middle stages and the fact that it had been caught wide down the back straight affected the filly's ability to finish the race in a competitive fashion.

Authorisation of second place being awarded to **RAFFAELLO** was withheld until stewards were satisfied this runner had not gained an advantage when striking a pylons when utilising the passing lane over the concluding stages.

Authorisation of placings were further withheld until such time that stewards determined that **MISS FIREFLY** had not been denied a fair start. After speaking with driver A Poutama, Starter C Courtney and viewing all available films it was established that **MISS FIREFLY**, while being inconvenienced by **THOMAS MCBRIDE**, had been in its rightful position as the start was effected and had been afforded a fair start and placings were duly authorised.
