

### **Rule 313(2)**

Any person applying for a licence who is required to do so by the Board shall undergo a full medical examination conducted by a Registered Medical Practitioner of the Board's choice. Such medical examination shall include testing of the applicant's eye sight and the applicant shall consent to the Board receiving full details of the result of that examination before it reaches a decision on the granting or refusing of the licence applied for. Such medical examination may be required to be completed annually by the applicant as the Board may in its discretion determine.

**The following doctors have been appointed by the Board to conduct full medical examinations.**

**Please contact your nearest doctor to arrange a medical examination.**

**Alternatively you may elect to have this examination completed by your own Doctor. Please allow at least 1 hour for your appointment time.**

**(NB The cost of medical examinations is payable by the applicant).**
