

## Training is part of the winning formula

Upskilling of industry participants presents a more professional image to the world and promotes New Zealand as a leader in the development of horses and personnel within the racing and breeding arenas.

NZEET and Primary Industry Training Organisation (ITO) offer trainee's qualifications designed for the equine industry and even more specifically for the New Zealand racing and breeding industry.

New Zealand Equine Education Trust along with Primary ITO offers the following industry qualifications:

- New Zealand Certificate in Equine Skills (Level 2)
- New Zealand Certificate in Equine Skills (Level 3) with strands in Harness Racing Stable Assistant, Thoroughbred Raceday Strapper, and Thoroughbred Racing Track Rider
- New Zealand Certificate in Equine Racing (Level 4) with strands in Thoroughbred Racing Jockey, Harness Driver/Trainer, and Harness Racing Driver
- New Zealand Certificate in Equine Breeding (Senior Stud Groom) (Level 4)

# Industry Training

New Zealand has a reputation for producing world class race horses that perform with excellence throughout the Australasian and International racing scenes. It is now evident that we are producing stable and stud assistants, drivers and jockeys who are amongst the world's best and even world champions!

The New Zealand Equine Education Trust (NZEET) offer nationally recognised, New Zealand Qualifications Authority (NZQA) registered qualifications for the harness racing, thoroughbred racing and breeding sectors.

Our qualifications and unit standards have been developed in consultation with industry. Our training is available to those employed in the industry.

### Benefits of Industry Training:

- ✓ NZQA New Zealand Certificates are recognised and endorsed by the industry
- ✓ Increased employment opportunities both nationally and internationally
- ✓ The opportunity for trainees to earn as they learn
- ✓ We offer a Gateway program to help students gain experience and NCEA credits
