

CALY LOULOU IN UPSET

CALY LOULOU won the French/Italian heat of the Prix de l'UET yesterday after unbackable favourite Charly du Noyer galloped in the score up and sensationally missed the start.

Philippe Allaire's dual Criterium winning son of Ready Cash was unable to catch the field in the 2100m race on Vincennes inner track.

Caly Loulou driven and trained by Mathieu Abrivard, who is more renowned for his prowess as a monte jockey, wound up sitting in the death as Italian-bred Tuonoblu Rex (Cantab Hall) driven by Dutchman Robin Bakker

set a leisurely pace covering the opening kilometre in 1'15"2.

As the pace went on into the final bend Caly Loulou, racing unshod for the first time in his career, quickly got the measure of the fading leader and kicked on to a two-length victory.

Italy's Toseland Kyu (Love You) won a close battle for second from Allaire's second runner Cahal des Riouls (Password).

French-trained Cuise la Motte (Repeat Love), who was driven by Sweden's Bjorn Goop finished well between horses to claim fourth and a place in the final, back

here at Vincennes on October 14.

The Scandinavian heats of the Prix de l'UET or European Derby were held at Solvalla, Sweden overnight.

On the weekend another of Allaire's stable of stars, Traders took control of the European Group III Prix de Clermont and had the high class field struggling as they made the descent scooting out to a five length lead as they turned for home.

The brilliant Italian-registered son of Ready Cash cruised to the line clear of Carat Williams (Prodigious) and Coeur Baroque (Offshore Dream) third.

Dollar Macker is in an elite class of his own

Philippe Allaire's stellar year continued with heavy favourite Dollar Macker's resounding win in the Group I Prix des Elites at Vincennes on the weekend.

Yoann Lebourgeois took the strapping son of Saxo de Vandel to the front as the field turned out of the Vincennes front straight from Dragon du Fresne, who then took up the trail.

Dollar Macker kept the pressure on up the hill and had the field struggling a long way from home.

He had a four length lead on Dragon du Fresne as they turned for home with a similar gap to the rest of the field and won going away, doubling the margin.

Second favourite Bellissima France, off the 50m handicap, stayed on for second with Dhikti Vedequais, a group one winning stablemate of the winner, third.

The other major monte on the weekend went to the Eric Raffin ridden Ulka des Champs who also used the Joinville plain to take control.

The Giles Curens daughter of Offshore Dream led Swedish raider Art On Line up the

hill and shrugged him off as they made the descent.

Raffin kept his mount up to her work and had enough in the tank to fight off Americaine (Chef du Chatelet) with veteran Sydney du Rib (First de Retz) third.

FRENCH FACT

It was the fifth success in the Prix des Elites for Philippe Allaire, who also won the event with Thorens Vedaquais (2010), Gai Brilliant (1998), Express Road (1997), Fine Perle (1996).

Sweden's Spartan Kronos strikes

Swedish-based Conrad Lugauer produced produced Spartan Kronos to win the Group II Prix Emile Beziere at Vincennes on Sunday.

Philippe Allaire's Buggy Malone took up his usual front running role and unlike recent starts where he has run his rivals into the ground, merely acted as a pacemaker for Spartan Kronos.

As Buggy Malone opened up on the downhill section, he was not able to shake Spartan Kronos who

emerged from the slipstream to race away for the win.

Buggy Malone was five lengths away second while The Last Ticket (Cantab Hall) lobbed into third.

It was the second major success for the Swedish breeding industry of the week with leviathan trainer Lutfi Kolgjini taking the the Group III Grand Prix Federation Regionale du Nord at Le Croise-Laroche with his consistent performer Dante Boko (Going Kronos),

SWEDEN

Svante Bath's Deimos Racing came with a withering burst in the final stretch to win the Swedish Group I 3YO classic, Travkriterium over 2640m at Solvalla on the weekend.

The Erik Adielsson-driven Quite Easy gelding had the pole position but eased into the trail as Jorma Kontio on the Timo Nurmos trained favourite Global Trustworthy (Muscle Hill) won the battle for the early lead.

Second favourite Policy of Truth, moved up to sit parked as Global Trustworthy set the pace in the 4 million SEK (A\$607K) race over 2640m.

Global Trustworthy tried to skip away at the end of the back straight, but Policy of Truth loomed up at the top of the straight and looked the winner as they straightened.

But Adielsson pulled Demos Racing out from the trail and stormed home down the middle of the track to nab him on the line.

The fillies equivalent, the Swedish Trav Oaks, run over the shorter 2140m trip went to Stefan Persson's Darling Mearas (Cantab Hall).

The filly worked hard to get the lead, but controlled the race from there and scooted away to win the race from Genta (Gentleman) and Xperia Knick (Ready Cash) who weaved her way through from the rear for third.

Erik Adielsson had a second big win on the night behind Bravo Navarone in the Group II Walter Lundbergs Memorial, a staying test over 3180m.

Adelsson controlled the race from the lead in second lap and skipped away on Bra-

vo Navarone at the turn, and held off a determined bid by Reckless (Ready Cash), who gave him 20m at the start.

Third was Rapide du Pommeau, who, like the winner was also off the second line in the handicapped affair.

ITALY

Love You progeny claimed two of the three qualifying heats for Europe's richest age group race the €770,000 Derby Italiano at Rome's Capannelle track.

Erik Bondo's filly Unicka was the fastest, winning in 1'12"5 and Holger Ehlert's Unicom SLM (1'14"0) also flew the flag for the sire.

The other heat was won by Pasquale Esposito's Ursa Caf (Exploit Caf) in the slow time of 1'15"7. The Derby Italiano will be run on October 9.

Flashy Love You chestnut Bordeaux is the biggest mover in the Haras des Trotteurs Dominion Handicap rankings released this week.

Bordeaux stormed up the rankings from 34th place to within striking distance of the field at 19, with his win at Addington on Friday night.

Bordeaux won his second start of the season when taking out the Haras des Trotteurs Handicap with a brilliant front-running display

against a field littered with Dominion hopefuls.

Trained at Philip Iggo's Flaxton stable in North Canterbury and driven to perfection by champion reinsman Dexter Dunn, Bordeaux has now won seven of his 14 lifetime starts for earnings of \$45,000.

He is the second foal from Iggo's good racemare Sapiant (Britewell) who won six races for the owner-trainer,
