

ATTENTION ALL BREEDERS

Foal Registrations due 1 June 2017

Applications to register this season's foals were posted out last November to the first owner/lessee on our records.

The fee for registration is \$150 per foal if paid by 1 June 2017. Thereafter a scale of fees applies.

Please ensure your applications are lodged and paid for even if you don't have all the information required on the form. (This also applies to unbranded foals)
In this way breeders will avoid the imposition of higher fees. Any missing details can be provided when available.

Breeders are advised to lodge their applications as soon as possible as there is an inevitable backlog at this time of year. These are processed strictly in 'date received' order.

It is not possible to reserve a name for your foal but you are welcome to contact Harness Racing New Zealand as to the current availability of a name.

If you have not received an application form and believe you should have, please contact:
