

## Greg Crawford

My name is Greg Crawford. I work in the industry and have been involved as an owner/breeder and administrator in syndicates for a number of years.

I am currently Treasurer of four racing and a breeding syndicate.

In 2015 I was appointed to the Board of Harness Racing New Zealand for twelve months as an owners representative. Unfortunately this was not long enough and I feel that I did not achieve very much and I would like to at least complete a full term.

I am very passionate about the industry, a good listener and feel that I can contribute in many ways.

If elected I would strive to do my best for all clubs, owners, breeders, trainers and drivers.

I am currently on the Canterbury Owners board and Canterbury Breeders board which I will continue. I am also Treasurer of the Canterbury Combined awards dinner committee which I will continue as well.

Since 16 years of age I have been involved in many organisations and am extremely proud and honoured to have been elected life member status of Sockburn Park Swimming Club, Riccarton Jaycees and Canterbury West Coast Swimming.

I realize that the industry faces many challenges over the next few years, but if I am elected I will be campaigning very hard for all concerned.

Hopefully you will vote for me and allow me the chance to campaign for changes.

Special thank you to the Winton Club for signing this nomination for me it is really appreciated. Unfortunately I was not aware that more than one club could sign a nomination form.
