

OFFICIAL NOTICE

On 17 October 2016, the HRNZ Special Committee approved the “Lazer LZR” wheel for use in New Zealand.

On 19 October 2016, the HRNZ Special Committee approved the “Whiplash Sniper II” wheel for use in New Zealand.

On 19 October 2016, the HRNZ Special Committee approved the “Spyder Gorilla Sulky” for use in New Zealand. The approval of this sulky follows the HRNZ Board’s decision to remove the requirement for a crossbar on sulkies, provided that that brand of sulky has been tested without a crossbar and met all engineering and safety criteria in the Sulky Specification Regulations.
