

2019 Dream Team Competition

The Dream Team competition is a free online game that requires players to have a Login and Password on www.hrnz.co.nz to enter. The Dream Team competition is developed and promoted by Harness Racing New Zealand Inc.

To enter the competition players must register in full prior to the commencement of the competition, set to be 11.59pm (NZ Daylight Saving Time) Thursday 28 March 2019. The competition concludes at the end of racing on Saturday the 1st of June 2019.

The competition requires entrants to select 10 horses for their Dream Team. The 10 horses must include one horse from each of the 2019 Harness Jewels categories (nine in total) and one wildcard.

Each Dream Team virtual budget is limited to \$500,000. Each team of 10 horses must not exceed this figure. If any entry exceeds \$500,000 it will be disqualified. Entries can, however, be less than \$500,000.

Entrants shall select horses from the lists of all eligible horses. Each horse will have a value apportioned to it ranging from \$10,000 to \$100,000.

When selecting two-year-olds, unqualified horses may be chosen. All unqualified horses will have a default value of \$10,000.

Only horses eligible to race in the Harness Jewels may be selected for your Dream Team, which means any horse aged two-year-old to four-year-old registered on the HRNZ Infohorse database. The Wildcard can only be a horse aged two-year-old to four-year-old registered on the HRNZ Infohorse database.

The selection of horses that are not recognised as Harness Jewels eligible will result in the entry being disqualified.

Australian or international horses are eligible to be selected only when they have either been bred in New Zealand or have had their details input into the Infohorse Database. Entrants are able to search the database to find eligible horses that are not displayed on any Dream Team lists.

Any entry that fails to provide all required information may be disqualified. HRNZ assumes no responsibility for incomplete, late or wrong entries.

Entrants will be able to alter their Dream Teams an unlimited number of times before the competition close-off at 11.59pm(NZ Daylight Saving Time) Thursday 28 March 2019.

The competition is open to persons aged 18-years old and over.

The competition is strictly limited to one entry per person.

HRNZ staff members, contractors or Board members and immediate family are ineligible to enter the Dream Team competition. Immediate family for the purposes of this competition includes: spouse (also de facto), parents, children and siblings.

In the event that a player is identified as a minor or as any other person who is in breach of the Dream Team Terms and Conditions, HRNZ reserves the right to refuse to allow the player to take part in the competition, or receive any prizes. HRNZ will notify any relevant regulator where required by law to do so. In such circumstances, the next best entry will be awarded the prize. In the case of a random draw a re-draw may occur.

The promoter complies with the Information privacy principles contained in the Privacy Act 1993. Any entries become the property of the promoter and any information competition players provide will be used by the promoter for the purpose of conducting this competition.

By entering this competition, players consent to their personal information being collected, used and disclosed by HRNZ for the purposes of this promotion.

Players consent includes authorising HRNZ to send the player future electronic correspondence regarding any promotional, marketing and publicity activities.

All players consent to the publication of their name and agree to participate in reasonable promotional activities as requested by HRNZ.

Entrants will earn virtual dollars as their Dream Team of horses earn their virtual stake money. This will apply across the competition with the exception of the nine Harness Jewels races where all stake monies earned will be doubled.

All Dream Teams and Dream Team Leader boards will be updated at the conclusion of every race meeting. Following the final race meeting results will be checked before the final leader board is declared.

Stakes won in the Dream Team competition relates only to horses finishing in first to fifth position in any official New Zealand harness race. That is; any race with a total stake value of \$1,000 or more. This includes money earned in PGG Wrightson Yearling Sales restricted races, even though this money does not count to qualifying horses for the Harness Jewels.

During the Harness Jewels (Saturday, 1st June 2019) stake monies earned in the nine Harness Jewels Finals will be doubled.

Stake money relates to the published stake paid out on any given race as per the www.hrnz.co.nz Internet Site. Stake money does not include any form of bonus that any horse may be eligible for, racing club incentive bonuses or Sires Stakes bonuses.
