

Racing Rewards Easter Showcase – 05 April 2024

Qualifying Conditions and Eligibility

For horses aged four-year-old and older, rated R57 or below as at 01 January 2024. Horses remain eligible even if their rating ascends above R57 within the qualifying period.

Horses will accrue points in relation to the starts they have over the qualification period, linked to their performance (Official Placings). In this instance the qualifying period is 1 January 2024 to 01 April 2024, inclusive (at conclusion of Banks Peninsula TC meeting).

Each start a horse has within the qualification period is multiplied by the number of wins (x 1), the number of seconds (x 0.5), the number of thirds (x 0.33) and the number of fourths (x 0.25). The four figures are then aggregated to give a 'Racing Rewards Score', which will place the horse within the Racing Rewards rankings.

To be eligible to contest a Racing Rewards Easter Showcase race, a horse must have had a minimum of **three starts** within qualification period.

The top 42 ranked pacers nominated will be selected, the top 32 ranked trotters nominated will be selected then split into fields, based on ratings. In Pacing Racing Rewards races there will be a maximum of three fields of 14 acceptors. In Trotting Racing Rewards races there will be a maximum of two fields with 16 acceptors, and up to two rating-specific emergencies per race.

All eligible 'R' rated horses (winners) shall be ranked ahead of eligible non-race winners (MR rated, including Non-Tote 2YO winners).

In the event of a tie for any qualifying position horses will be separated by counting back to the horse with highest rating, if a tie still exists then the horse with the most lifetime wins will be ranked ahead of the horse with fewer lifetime wins.

There is no distinction between a dead-heat and a standard placing in reference to points allocation.

Nominations for the respective races shall be made with the NZ Metropolitan TC, in the normal manner, per the advertised programme (by noon, Tuesday 02 April).
