## OFFICIAL NOTICE

### Handicapping Ratings Review

Following a review by the Handicappers, the horses below have been re-rated for the commencement of the 2020/21 season (1 August 2020). The changes are pursuant to the below clause contained in the Official Notice of the updated Ratings Handicapping System, relating to the Reduction of the Upper Rating Limit from R130 to R120 and the Guiding Principles of the Ratings Handicapping System (updated 01 August 2020).

- The Upper Rating Limit be reduced to R120 (from R130) and that horses rated above or just below R120 to be re-rated appropriately at the end of the racing season, by the Handicappers.
- At the end of each racing season horses identified by the Handicappers as being rated as uncompetitive or considered to be disadvantaged in relation to other horses may be subject to re-rating.

*Note: The below re-ratings do not include horses that have been away from the racetrack for an elongated period of time that may be subject to individual review prior to resuming their racing careers.*
