OFFICIAL NOTICE

Workouts Regulations / Trials Meeting Regulations

At its recent meeting, the Board of HRNZ approved the Trials Meeting Regulations and Workouts Regulations, effective from 1 August 2020.

As background, HRNZ were approached by the NZ Trainers and Drivers' Association with a view to introducing procedures that would lead to the streamlining of processing of nominations, entry fees and driving fees at workouts and trials. The intent of the regulations is that:

-) Nominations to be made online via "myHRNZ";
-) To provide a system for the collection of nomination and driving fees;
-) To provide payment of driving fees via the HRNZ stakes payment system (consistent with other race meeting driving fees).

The Workouts Regulations and Trials Meeting Regulations are attached.
