OFFICIAL NOTICE

Challenger X Bike Sulkies

On 31 May 2021, the HRNZ Special Committee approved two Challenger X Bike sulkies for use in New Zealand.

1. The CHALLENGER X BIKE (no crossbar) is approved.
2. The CHALLENGER X BIKE with a fixed crossbar is approved with an additional approval date added to the existing approval date of 12 December 2018 in the Regulations and the notation "registered as Whiplash Sonic prior to this date" removed.

All the testing requirements including the dynamic and static load tests, dimension and marking requirements were completed by Human Impact Engineering in Australia in December 2020.

Performance testing of the X Bike sulky with no crossbar and inspection of both sulkies was completed by Sean McCaffrey (Open Driver) and Steve Mulcay (RIU Senior Stipendiary Steward) on 6 May 2021.

Manufacturer – Steve & Wendy Hart, The Sulky Shop, Opunake.
