Handicapping Ratings Review

Following a review by the Handicappers, the horses below have been re-rated for the commencement of the 2019/20 season (1 August 2019). The changes are pursuant to the below clauses contained in the Official Notice relating to the Enhanced 2YO Concession Trial, dated 22 May 2019 or the Guiding Principles of the Ratings Handicapping System, updated 26 June 2019.

- Any 2YOs winning their first race in a 2YO only race prior to 2 June for an advertised stake of \$20,000 or less will be re-rated by the Handicapper's at season's end.
- Other winning 2YOs will also be reviewed by the Handicappers at season's end to ensure fairness across the spectrum of 2YO race winners for the season.
- At the end of each racing season horses identified by the Handicappers as being rated as uncompetitive or considered to be disadvantaged in relation to other horses may be subject to re-rating.
- 2YO Trotters – no male shall be rated higher than R65. No filly shall be rated higher than R60.
- 2YO Pacers - no male shall be rated higher than R75. No filly shall be rated higher than R70.
- 3YO Trotters - no male shall be rated higher than R85. No 3YO filly shall be rated higher than R80.
- 3YO Pacers - no male shall be rated higher than R95. No filly shall be rated higher than R90.

Note: The below re-ratings do not include horses that have been away from the racetrack for an elongated period of time that may be subject to individual review prior to resuming their racing careers.
