OFFICIAL NOTICE

AMENDMENT TO THE SULKY FUND REGULATION

On 27 November 2018, the Harness Racing New Zealand Special Committee approved an amendment to the Sulky Fund Regulation, effective immediately.

The amendment is as follows (with changes marked up):

9. *Where a claim for compensation is approved:*
 - (a) *all repairs shall be completed by an approved repairer who shall provide HRNZ with an itemised invoice for the work completed;*
 - (b) *damage to tyres or tubes includes the cost of the replacement of tyre and/or tube and a fitting fee to a reasonable amount.*

The amendments were made as a result of a recommendation at a Warrant of Fitness Inspectors meeting that the regulation be amended to reflect current practice which is to pay a fitting fee when replacing tyres and tubes provided it is kept to a reasonable amount.
