

## WINTER REWARDS SERIES 2023

The 2023 'Winter Rewards Series' will again be run on a regional basis, with pacers and trotters at three venues – Winton (30 June), Addington (27 July), and Alexandra Park (28 July).

Restricted to horses four-year-old and older and rated R57 or below on 2 May 2023, the three series will consist of an intended three pacing and two trotting races. To be eligible, horses must have a minimum of two starts within the respective qualifying periods and regions.

The more horses' race and race well by winning and placing, the higher their Winter Rewards score will be, thus pushing their claims for starts in the \$20,000 features.

Once the top nominated qualifying pacers and trotters have been found, the qualifiers will be split via their current ratings to create fair, competitive contests.

### General Qualifying Conditions and Eligibility:

- For horses aged four-year-old and older rated R57 & below on 1 May 2023. Horses remain eligible even if their rating ascends above R57 within the qualifying period.
